

## ENGLISH DERBY IS SET FOR TOMORROW

Epsom Downs Will Be Scene of Famous Racing Classic

Epsom, England, June 1 (AP)—England's greatest horse racing event—the derby—will be run tomorrow. As in previous years thousands upon thousands of persons will make their way to Epsom Downs for the classic.

Colorado, owned by Lord Derby and on which Steve Donoghue will have the leg up is the favorite to win the race.

Lord Astor's Swift and Sure also is well thought of by those who lay wagers. Sir Abe Bailey thinks well of his colt, Lex and believes he will be well up in the running. Coronach, Apple Samuiv, Finlaggan, Harpachon, Climax, Macanudo and Comedy King all are being well backed.

Colorado has been installed favorite by reason of the fact of his recent easy win of the two thousand guineas stake. Another horse which is being watched with much interest is La Gros, owned jointly by P. Gilpin and J. Bleckiron. The colt was bought as a yearling for about \$125, but being a son of Grosvenor he was the blood in him and those who remember the successes of his sire look to the son to uphold the father's reputation.

This year's derby may go down in history as the last "untaxed derby" as well as the "great white derby." It is the purpose of the government to institute a betting tax in November.

Sweepstakes have been as large as ever this year, but owing to the strictness of the law these have been conducted principally as charity affairs. The Calcutta sweep was the largest. It is due to pay out a first prize of 50,000 pounds (about \$150,000). The second prize is 50,000 pounds and the third 45,000 pounds.

### U. S. BALLOON WINS

Van Orman in Goodyear II Captured Gordon Bennett Trophy, Flying From Brussels To Sweden

Brussels, June 1 (AP)—John A. Van Orman, in the American balloon Akron NAA, landed safely in Holland at 7:45 o'clock last night.

Boettner was pilot of the gas bag which was competing in the Gordon Bennett trophy race. The balloon was disqualified when the basket struck the ground shortly after the start of the race, throwing out H. W. Maxson, the second pilot.

The Akron NAA rose afterwards and drifted away and some anxiety was felt as to the fate of Boettner. His craft was the last to come down.

Wade A. Van Orman, piloting the American balloon Goodyear II, with Walker W. Morgan as his assistant, won the race, having come down in southern Sweden, a distance of 528 miles from the starting point.

## NEW YORK AGAIN WELCOMES SWEDEN'S PRINCE AND WIFE

CROWN PRINCE AND HIS WIFE

New York, June 1 (AP)—Crown Prince Gustavus Adolphus and Princess Louise today were again guests of the metropolis for a short time, after placing a wreath on the tomb of the unknown soldier in the capital yesterday.

Several thousand people jammed the Pennsylvania station last night to welcome the heir to the Swedish throne back from Washington. Guarded by mounted police the royal pair drove from the station to the Metropolitan opera house, where they were honor guests of a concert of 100 Swedish singers arranged by the United Swedish singing societies.

The royal party occupied the J. P. Morgan box. Just before they entered it they were given a huge bouquet of red roses from Louise Clermont, whose mother was Swedish and who recently was selected by Ernest Lannenkamp, Austrian artist as one of the 15 most beautiful girls in America.

The prince complimented the chorus before the concert began, remarking that he had heard them in Washington at the unveiling of a monument to John Ericsson, Swedish inventor of the Monitor, used in the Civil war. He extended greetings from his father, the king of Sweden, and expressed pride in the accomplishments of Sweden in America.

The prince and princess spent the night at the Plaza hotel.

The conferring of an honorary degree of doctor of laws upon the prince was the pivotal event in the commencement program of the Upsala Swedish Lutheran college at East Orange, N. J., today.

The prince and princess will spend the night in Philadelphia, stopping at Princeton on the trip down by automobile.
